

Michael Ross  
Lot 13

In 1975, I married Debby and we have three sons and one daughter. Through them, we have been blessed with nine grandchildren. I have coached my children in minor league sports for nine years.

From the age of 25 until retiring at age 60, I worked in the family business, effectively running it from 1995 until 2012. Some of our clients were Sony Music and Pictures, Warner Brothers Music and Pictures, RCA, Universal Music and Pictures and many others.

From 1994 to 1996, I formed three different companies with different individuals and was appointed President in two of those companies.

From 2015 until 2018, I was President of the 14/11 Cottager's Association of Pigeon Lake where we reside when not here.

Debby and I have participated in many functions and have volunteered to help here in the park. My parents have been in the park since 1987, and Debby and I bought here in 2012.
